## Buffet System

# OPERA

Diamond, Diamond Rose Gold, Diamond Gold

Seven elements in different shapes, textures and colours, generate a catchy scenery giving life to a new buffet concept inspired by the seven musical notes. Alternating lines, flat surfaces, solids and voids, a series of components that, thanks to different heights, lend Opera modularity and the ability to create real architectures on the table.

Sette elementi che, tra forme, texture e colore, compongono un palcoscenico d'effetto per dar vita a un nuovo modo di concepire il buffet, ispirato alle sette note musicali. Mediante l'alternanza di linee, piani, pieni e vuoti, i supporti – disponibili in differenti altezze – aprono Opera alla modularità e alla creazione di vere e proprie architetture in tavola.

Sieben Bestandteile in verschiedenen Formen, Texturen und Farben erzeugen eine einprägsame Szenerie, die ein neues Buffetkonzept entstehen lässt, das von den sieben Tonarten inspiriert ist. Abwechselnde Linien, glatte Oberflächen, Volumen und Hohlräume, eine Reihe von Komponenten, die dank unterschiedlicher Höhen Opera die Fähigkeit verleihen, auf dem Tisch echte Architekturen zu schaffen.
